**Why 3 Prices?** Realizing that families have differing abilities to pay, we've instituted a voluntary 3-tier pricing program. Please take a moment to look at the rate descriptions below and determine which of the three prices your family is able and willing to pay for your child's camp experience. This is strictly an honor system; select the fee you feel is appropriate by marking both the price and camp session/program below.

**This program is voluntary, and in no way influences the experience children receive.**

**Additional Financial Assistance is available. Call for an application or download at [www.campcarson.org](http://www.campcarson.org)**

Rate A		Rate B		Rate C	
Based on the actual cost of camp for child to participate. Includes expenses for staff, maintenance, food, programs, supplies, and wear/tear/depreciation.		This is our partially subsidized rate for those who can pay a little more but still can't afford the actual cost of camp.		This is our standard subsidized fee. For most programs this is a small increase over summer 2009 fees.

YMCA Camp Carson is committed to providing children with an opportunity for full and equal enjoyment of the camping experience. For this reason, we regret that children who do not have the promise of living cooperatively, compatibly and safely with other children cannot be accepted into the program.

If your child appears to have any serious behavioral problems or special circumstances involving physical, medical, or social concerns, the Director should be notified of this now, so that reasonable modification can be considered. Camping is designed to be a strong influence in the lives of the children it serves and YMCA Camp Carson realizes that typical problems are usually overcome through a program of high expectations and positive motivation. In the event that our program/facility is not a good match, we will do everything we can to help you locate a camp that would be more suited to serving your child's needs.

The Director reserves the right to decline the application of any child, or send home any child, who according to the Director's discretion is not a desirable associate for the other campers. If a camper is dismissed due to behavioral/social issues, the tuition is not refundable.

By making application, it is understood that permission is hereby given to use pictures in which my child as a camper may appear in the Camp brochure, DVD, web-site, or other promotional literature/posters used by the camp, YMCA, American Camp Association, YMCA of the USA, or other camp affiliates. It is also understood that YMCA Camp Carson is not responsible for articles of clothing or personal belongings damaged or missing in transit, loss or theft.

- I am enclosing a registration fee of \$75 per session for Session(s) ... in the ... program, which will be applied to the total tuition fee. I will pay the remaining balance by May 30, 2010. (Registrations received after May 29, 2010 should include the entire camp fee.)
I understand the total registration fee of an applicant on the waiting list is refundable if space does not become available.
I understand that the registration fee of \$75 per week is a registration fee and is not refundable under any circumstances.
I understand that if YMCA Camp Carson receives WRITTEN NOTIFICATION of cancellation prior to May 25, 2010 I will receive a full refund less my registration fee. After this date the fees are non-refundable, unless a camper from the waitlist can accept the space.
I agree to have this child examined by a licensed physician within one year of arrival camp, and to present a properly completed YMCA Camp Carson Health Examination Form no later than one week prior to the registered session. (Health Forms will be mailed to parents after the registration is received.)
I understand that there are increased levels of risk with any adventure-based program. At YMCA Camp Carson these programs include Alpine Tower, Pamper Pole, Zip-lines, Giant Swing, The Blob, Lake/Waterfront activities, Archery, Riflery and off-site trips. My signature below gives my child permission to participate in these activities, assuming they meet the age criteria.
I have read, understand, and agree to all the above.
