

CHECK LIST OF FORMS NEEDED FOR YOUR CAMPER(S)

DEAR CAMPER PARENT,

Below you will find a check list of the forms required for your camper as well as some vital information we hope will be helpful in their completion. We know your time is valuable and we really do appreciate all your help in getting these forms completed and to our office by May 21st, 2010. When we receive your child's forms on time, it greatly expedites our preparation for their camp session and allows you to go directly to their cabin on opening day thus avoiding standing in line!

_____ A pink **2010 HEALTH FORM** was enclosed with your confirmation letter. If you should need another copy for some reason, the health form is also available on our website.

Please give **special attention** to the following: **PARENT signature, PHYSICIAN signature, IMMUNIZATION RECORD is complete, EMERGENCY CONTACT INFORMATION is clear and ALL INSURANCE information is provided**. While all the information on the health form is necessary, these particular pieces of information are an absolute requirement.

Please **DOWNLOAD** the following at our website www.campcarson.org – click on Applications and Forms under the Summer Camp tab.

ALL CAMPERS need to download the 4 forms listed here:

In order to eliminate past confusion about the **Permission to Leave Camp** form, we would like to clarify its purpose. We refer to this form on closing day or anytime you, or those you designate, come to pick up your child. Only persons whose names are listed on this form, including parent names, will be able to pick up your child. For this reason, a **signed, completed form for EACH child you are sending to camp is absolutely required**.

_____ Permission to Leave Camp – Closing Day

_____ Packing List

_____ Camper Information/Cabin Mate Request

_____ Letter to My Counselor

NOTE: This year we will be adding a **Cell Phone/Technology Policy** and a **Mountain Bike Waiver** (the mountain bike program, for campers 11 and up, is new this year). Both of these documents are still under construction. We will notify you by mail when they become available. Thank you for your patience!

WAIVERS for YOUR CAMPER: Please download any waivers that apply for your camper(s):

_____ Horseback Riding Waiver

_____ Dirt Bike (NYPUM) Waiver

_____ Permission to Leave Camp for **Weekend Stayover** Saturday Trip to Holiday World/Splashin' Safari

DIRECTIONS:

If you need directions to camp, they are available at the same location on our website. **CAUTION:** Please do not access directions via Map quest etc. in order to navigate through Princeton, for some reason they send you in the **wrong** direction.

CAMP FEES: We would like to offer a quick reminder that all camp fees are due by **May 30th, 2010**.

Again, we hope you find this information helpful. Please do not hesitate to contact us if you have any questions, we're here to help. **Completing the forms in their entirety and returning them prior to your arrival allows the check-in process on opening day to run more efficiently**. If for some reason you are unable to provide this information before check-in day, we will need to receive it at that time. Thank you and we look forward to seeing you soon!

Sincerely,
YMCA Camp Carson Office Staff
