NOW HIRING FOR THE

BEST SUMMER EVER!

Do you know a College-aged individual looking for an exciting summer that will allow them to impact the lives of children, build their resume, and enjoy the outdoors? YMCA Camp Carson is a great opportunity! As a summer resident camp, we offer week-long sessions for 160 campers each through June and July. We are looking for Cabin Leaders that will live and work with other staff members in a state-of-the-art cabin with up to 12 kids. They are responsible for the fun that goes on over the course of the week, leading a variety of activities and creating a cabin culture that focuses on relationship building. If you know someone that would enjoy working a summer at Camp Carson, they can start an application [here](#) or contact Ryan Meeks at rmeeks@ymcacampcarson.org
